Dear Hiring Manager,

I am submitting my resume for consideration for the Junior Python Developer internship role . Given the skills and experience outlined in my enclosed resume, I believe I might be a worthy asset to your team

In my six years at RGUKT college, I have completed a great deal of coursework on a Python , MySQL ,and PostgreSQL. I am also familiar with git , chatGPT and other great control versions.

Volunteering with the non-profit has also taught me the importance of building a convenient and memorable consumer experience that aligns with the brand. It also helped me grow my skills in team collaboration, verbal communication and project leadership believe I would make an excellent addition to your team. This internship would help me grow my real-world experience in the technology industry and my level of knowledge in the python field.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at +917680992730 or via email at gunnumounika480@gmail.com to arrange for a convenient meeting time.

I look forward to hearing from you!

Thank you.

**Sincerely,**

Mounika
